Pursuant to Local Rules of the U.S. District Court for the Eastern District of California 143 and 144, the undersigned parties hereby stipulate to the following adjustments to the briefing schedule on Plaintiff's Memorandum Brief as to the Appropriate Remedy for Violation of the National Environmental Policy Act (Amended Version), ECF No. 125:

Brief	Current Date	New Date
Federal Defendants' Response Brief	March 20, 2017	March 23, 2017
Defendant-Intervenor's Response Brief	March 27, 2017	March 30, 2017
Plaintiff's Reply Brief	April 10, 2017	April 17, 2017

The changes are requested in order to accommodate Federal Defendants' request for additional time beyond the deadline of March 20, 2017, in order to have adequate time to prepare their response in light of counsel's case commitments and recent absence from the office for medical reasons. This is Defendant's first request for an extension to file its response brief, but the second adjustment to the briefing schedule for this motion. See ECF Nos. 122-23 (granting Plaintiff's Unopposed Motion to Adjust Deadlines for filing of Briefs on Appropriate Remedy).

Accordingly, the parties request the Court approve this Stipulation, and enter the proposed changes to the briefing schedule.

Respectfully submitted this 20th day of March, 2017.
