STIPULATION AND ORDER FURTHER  
 ENLARGING TIME OF DEFENDANT  
 ORIGEN BIOMEDICAL, INC. TO  
 RESPOND TO COMPLAINT AND TO  
 CONTINUE DEADLINES UNDER RULE  
 26(f)

[Fed. R. Civ. P. 6; Local Rule 144]

25  
 26  
 27  
 28

1           WHEREAS on December 17, 2013 Plaintiff ThermoGenesis Corporation (“Plaintiff”)  
2 filed its Complaint for Patent Infringement (“Complaint”) against Defendant OriGen Biomedical,  
3 Inc. (“Defendant”);

4           WHEREAS Defendant’s responsive pleading was initially due to be filed January 23,  
5 2014;

6           WHEREAS on or about January 23, 2014, the parties submitted a STIPULATION, by and  
7 through their respective counsel, pursuant to Local Rule 144 and Fed. R. Civ. P. 6(b), for an  
8 approximate one month period of time for Defendant to file its responsive pleading to the  
9 Complaint, which time would enable the parties to better understand one another’s position and  
10 allow for a period of discussion aimed at early resolution of the matter. According to the parties’  
11 Stipulation and the Order thereon, Defendant’s response to the Complaint is presently due on or  
12 before February 28, 2014.

13           WHEREAS on February 7, 2014, the parties and their counsel met, in person, in  
14 Sacramento, California, to discuss one another’s positions concerning the issues raised in the  
15 Complaint.

16           WHEREAS on February 7, 2014, the parties arrived at an oral agreement in principal to  
17 resolve this matter in full, pursuant to specific terms that are in the process of being memorialized  
18 in a writing between the parties.

19           WHEREAS Plaintiff and Defendant, by and through their counsel of record, hereby  
20 STIPULATE to an additional extension of time for Defendant to respond to the Complaint, if  
21 necessary, until on or before **Friday, March 14, 2014**. This is additional extension of time (of  
22 less than one month) will enable the parties to prepare final documents resolving this matter in  
23 full, without the attention and resources of the parities and the court being diverted to responsive  
24 pleading preparation that is imminent, but likely unnecessary.

25           Based on the foregoing, the parties agree that Defendant will have until March 14, 2014,  
26 to file its answer or to otherwise move in response to the Complaint. The parties also agree to a  
27 two week continuance of the deadline for counsel for Plaintiff and Defendant to meet-and-confer  
28 regarding a Joint Status Report and filing of a Joint Status Report, pursuant to the Court’s Order

1 Requiring Joint Status Report (see ECF No. 4) and consistent with Federal Rule of Civil  
2 Procedure 26(f), which deadline is currently scheduled for March 3, 2014. The new deadline for  
3 the parties to meet-and-confer and filed a Joint Status Report is therefore, **March 17, 2014**.
