STIPULATION

Plaintiff THERMOGENESIS CORP. (“Thermo”) and Defendant ORIGEN BIOMEDICAL, INC. (“OriGen”), collectively, “the Parties,” submit the following Stipulation:

WHEREAS, the Parties have been diligent in the pursuit of resolving their dispute over written discovery.

WHEREAS, the Parties have made notable progress in attempting to resolve the discovery dispute now before the Court.

WHEREAS, counsel for the Parties are aware that, as of January 9, 2015, the principals for OriGen and Thermo have begun detailed discussion directed toward the global resolution of this matter by March 1, 2015.

WHEREAS, the Parties agree to stay or otherwise continue pending deadlines in the case so that efforts can be devoted to resolving the matter without additional, unnecessary fees and costs being incurred by either party.

IT IS HEREBY STIPULATED AND AGREED by the Parties herein as follows:

THAT the discovery conference currently set for January 23, 2015 be vacated and continued to March 20, 2015, or at a later date convenient to the Court, so that the parties may continue to attempt to resolve their issue, in their entirety, without further involvement of the Court;

THAT the parties shall submit a supplemental joint statement as to issues remaining in dispute on or before March 13, 2015, or at a later date convenient to the Court.

IT IS SO STIPULATED.
