UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

KENNETH WASHINGTON,

Plaintiff,

v.

ANDREW NANGALAMA, et al.,

Defendants.

No. 2:14-cv-0232 CKD P

ORDER

Plaintiff requests that this action be stayed ten months until after plaintiff is released from prison. Discovery is closed and the court is awaiting plaintiff's opposition to defendants' motion for summary judgment. Because plaintiff fails to point to anything suggesting that, for reasons beyond his control, he cannot prepare an opposition to defendants' motion for summary judgment at the present time, plaintiff's motion for a stay is denied.
