

1 Section 832.7 states in relevant part that records which involve the use of force by a peace
2 officer that results in death or great bodily injury are not confidential and are to be made available
3 for public inspection. See Cal. Penal Code § 832.7(b)(1)(A)(ii). Plaintiff's viable excessive force
4 claims relate to being sprayed with pepper spray and being handcuffed behind his back. (See
5 ECF No. 6 at 5-6). These uses of force did not involve either death or great bodily injury in
6 plaintiff's case. Furthermore, plaintiff's remaining viable claims are not covered under Section
7 832.7. (Compare ECF No. 6 at 5-6, with Cal. Penal Code § 832.7). For these reasons, plaintiff's
8 request to obtain additional discovery shall be denied.

9 Accordingly, IT IS HEREBY ORDERED that plaintiff's request for assistance with
10 obtaining discovery documents from defendants and/or to extend discovery dates, filed August
11 29, 2019 (ECF No. 79), is DENIED.
