UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

TITA RODAS, on behalf of herself and all  
others similarly situated, and on behalf of  
the general public,

Plaintiff,

v.

MONETARY MANAGEMENT OF  
CALIFORNIA, INC., a Delaware  
corporation, and DOES 1 through 10,  
inclusive,

Defendants.

No. 2:14-cv-1389 TLN AC

**ORDER FOLLOWING INFORMAL  
TELEPHONIC CONFERENCE**

Pending before the undersigned is a discovery dispute regarding plaintiff's Interrogatory No. 8 and Request for Production No. 12, seeking "the names, addresses, and telephone numbers" of the prospective class members. Following unsuccessful meet-and-confer efforts, the parties agreed to an Informal Telephone Conference to resolve the dispute. The conference was held on January 6, 2015. Both sides having submitted the dispute, the undersigned rules as follows:

1. Defendant's counsel shall, no later than January 20, 2015 at 2:00 p.m., provide to plaintiff's counsel the names, addresses and telephone numbers of the putative class members, in compliance with plaintiff's Interrogatory No. 8 and Request for Production No. 12.

2. The undersigned declines to limit the number of prospective class members whose

1 contact information defendant must provide to plaintiff's counsel, to a random sampling, or 10%  
2 of the prospective class, or in any other way. The undersigned further declines to exclude those  
3 prospective class members who have signed arbitration agreements with defendant. The  
4 undersigned is aware that a motion to exclude those who have signed such agreements from the  
5 class is currently under submission to the Honorable Troy L. Nunley. See ECF No. 9.

6 3. Plaintiff may communicate with putative class members thus identified by  
7 defendant, but only under the following conditions:

8 a. Plaintiff's communication must be neutral.

9 b. The contact information of the prospective class members is subject to the  
10 Stipulated Protective Order (ECF No. 11).

11 c. Plaintiff's counsel shall inform each prospective class member that he or  
12 she has the right not to talk to counsel and that, if he or she elects not to talk to counsel, plaintiff's  
13 counsel will terminate the contact and not contact them again.

14 d. Plaintiff's counsel must inform prospective class members that Monetary  
15 Management of California, Inc. was compelled by court order to disclose the contact information.

16 e. Plaintiff's counsel must inform the prospective class members that the  
17 communication is confidential, however, this does not preclude the prospective class member  
18 from voluntarily giving a declaration to plaintiff's counsel.

19 f. Plaintiff's counsel must provide the prospective class members with the  
20 contact information of defendant's counsel, accompanied by a warning that defendant's counsel  
21 does not represent the prospective class members.

22 g. Plaintiff's communication with prospective class members must be fair and
