

1 ASU any longer than is necessary for cause of retaliation for actions taken against [correctional  
2 staff]” (sic), ECF No. 19 at 1.

3 For good cause shown, plaintiff’s request for an extension of time will be granted.

4 The second matter requires further inquiry. Significantly, this is plaintiff’s third request  
5 for preliminary injunctive relief; both prior requests were denied, in part because plaintiff did not  
6 allege a threat of imminent injury. See ECF Nos. 8 and 15, addressed by the court at ECF Nos. 9,  
7 17-8. However, plaintiff now alleges that he was placed in the ASU after a March 16, 2015 fight  
8 with another inmate who works in HDSP’s “Yard Crew,” after several Yard Crew members  
9 chased and surrounded plaintiff. Plaintiff alleges that this group of inmates “functions as a prison  
10 gang,” largely at the behest of correctional staff who, in this case, allegedly identified plaintiff as  
11 an appropriate target due to plaintiff’s litigation activities. Plaintiff’s motion names several  
12 correctional officers who allegedly instigated the March 16, 2015 incident, which resulted in  
13 plaintiff’s placement in the ASU but in no repercussions for the Yard Crew inmates. ECF No. 19.  
14 Additionally, in his declaration in support of his request for extension of time, plaintiff states that  
15 he has been denied medical care since being housed in the ASU. Plaintiff states in part, ECF No.  
16 20 at 2 (sic):

17 I am at this time injured and am being refused proper Medical Aide,  
18 of which I fear is in an endeavor to avoid more serious internal  
19 injuries being documented. I’ve informed staff that my ribs are in  
20 real pain and it hurts to laugh or move, signs of cracked ribs or  
broken and have not been x-rayed. [D]uring the altercation [I] had  
an inmate slamb me to the ground and have cuts all down the side  
of me, from shodler to elbows, and have not even had them cleaned.

21 The Office of the Attorney General will be directed to investigate plaintiff’s allegations  
22 concerning his physical and medical condition, his current housing, and his alleged denial of  
23 access to his legal materials. Because defendant has not yet been served process in this case, this  
24 order will be directed to a Supervising Deputy Attorney General.

25 Good cause appearing, IT IS HEREBY ORDERED that:

26 1. Plaintiff’s March 25, 2015 motion for extension of time, ECF No. 20, is granted;  
27 plaintiff is granted thirty (30) days from the filing date of this order in which to submit the  
28 documents necessary for service of process on defendant Davis.

1           2. The Office of the California Attorney General is directed to contact HDSP prison  
2 authorities forthwith, to investigate and ascertain the following: plaintiff's current physical and

4 through the date of inquiry; plaintiff's current access to legal materials, including any limitations  
5 imposed on such access beginning March 15, 2015 through the date of inquiry; and plaintiff's  
6 current housing placement, including whether he is celled alone, and any security concerns or  
7 anticipated housing moves.

8           3. Because defendant has not yet been served process in this case, the Clerk of Court is  
9 directed to fax a copy of this order to the Office of the California Attorney General, Attention:  
10 Supervising Deputy Attorney General Monica Anderson.

11           4. Ms. Anderson or her designee shall file and serve a status report with the court within  
12 ten (10) days after the filing date of this order.

13           5. The Clerk of Court is also directed to fax a copy of this order to the HDSP Litigation

15           6. The court will rule on plaintiff's motion for court order, ECF No. 19, after review of  
16 the Attorney's General status report.
