

1 Defendants' will be filing on June 9, 2016 a reply brief in support of their Motion to  
2 Stay. The Court's standing order provides that reply briefs shall not exceed 10 pages, and  
3 that a party wishing to file a lengthier document may seek an extension of that page limitation  
4 from the Court. Defendants respectfully request a 5-page extension for their reply brief.  
5 Defendants believe that these additional 5 pages are necessary to fully address the issues and  
6 will assist the Court in deciding this motion. Plaintiff does not oppose Defendants' request  
7 and has agreed to stipulate to the 5-page extension for this reply brief. Thus, with the Court's  
8 permission, Defendants will file a reply in support of their Motion to Stay that shall not  
9 exceed 15 pages.
