ORDER

	ı	

Pursuant to the Parties' Stipulation (ECF No. 226), and for good cause, all operative deadlines in the case schedule as outlined in the Stipulated Discovery Schedule and Order (ECF No. 146) are EXTENDED six (6) months. However, the Parties' request for a case management conference on June 13, 2019, immediately following a hearing on Defendants' Joint Motion for Reconsideration (ECF No. 193), is DENIED without prejudice as moot given that the hearing on Defendants' Motion was continued to July 25, 2019. ECF No. 228. In requesting a case management conference, the Parties stipulate that they would like the opportunity to address the need for additional scheduling deadlines given the factual and legal issues presented by the claims in this matter. The Court advises that modifications to scheduling deadlines are typically best addressed via stipulations if agreed upon by all Parties, or via noticed motions if contested.

IT IS SO ORDERED.

Dated: June 17, 2019

MORRISON C. ENGLAND, JR

UNITED STATES DISTRICT JUDGE
