UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

JASEN LYNN DUSHANE,  
  
                                Plaintiff,  
  
                    v.  
  
SACRAMENTO COUNTY MAIN JAIL,  
et al.,  
  
                                Defendants.

No. 2:15-cv-0136 TLN CKD P

ORDER

Plaintiff requests that the court order officials at the Northern Nevada Correctional Center to provide plaintiff with “legal supplies” and “copy work.” Since it appears from the record that plaintiff is being given adequate paper and writing supplies (plaintiff has filed five documents with the court since June 26), it is not clear what plaintiff requires. Accordingly, plaintiff’s request (ECF No. 29) is denied without prejudice to plaintiff filing another request in which plaintiff clarifies exactly what he believes he needs.
