

1 II. ADDITIONAL PARTIES/AMENDMENTS/PLEADINGS

2 No further joinder of parties or amendments to pleadings is permitted without  
3 leave of court, good cause having been shown. *See* Fed. R. Civ. P. 16(b); *Johnson v. Mammoth*  
4 *Recreations, Inc.*, 975 F.2d 604 (9th Cir. 1992).

5 III. JURISDICTION/VENUE

6 Jurisdiction is predicated upon 28 U.S.C. § 1331. Jurisdiction and venue are not  
7 disputed.

8 IV. DISCOVERY

9 Initial disclosures as required by Federal Rule of Civil Procedure 26(a) have been  
10 completed. The parties shall file a joint proposed discovery protective order within **twenty-one**  
11 **days**.

12 All discovery shall be completed by **June 10, 2016**. In this context, “completed”  
13 means that all discovery shall have been conducted so that all depositions have been taken and  
14 any disputes relative to discovery shall have been resolved by appropriate order if necessary and,  
15 where discovery has been ordered, the order has been obeyed. All motions to compel discovery  
16 must be noticed on the magistrate judge’s calendar in accordance with the local rules of this court.  
17 While the assigned magistrate judge reviews proposed discovery phase protective orders, requests  
18 to seal or redact are decided by Judge Mueller as discussed in more detail below. In addition,  
19 while the assigned magistrate judge handles discovery motions, the magistrate judge cannot  
20 change the schedule set in this order, even in connection with a discovery matter.

21 V. DISCLOSURE OF EXPERT WITNESSES

22 All counsel are to designate in writing, file with the court, and serve upon all other  
23 parties the name, address, and area of expertise of each expert that they propose to tender at trial  
24 not later than **June 10, 2016**. The designation shall be accompanied by a written report prepared  
25 and signed by the witness. The report shall comply with Fed. R. Civ. P. 26(a)(2)(B). By **July 1,**  
26 **2016**, any party who previously disclosed expert witnesses may submit a supplemental list of  
27 expert witnesses who will express an opinion on a subject covered by an expert designated by an  
28 adverse party, if the party supplementing an expert witness designation has not previously

1 retained an expert to testify on that subject. The supplemental designation shall be accompanied  
2 by a written report, which shall also comply with the conditions stated above.

3 Failure of a party to comply with the disclosure schedule as set forth above in all  
4 likelihood will preclude that party from calling the expert witness at the time of trial. An expert  
5 witness not appearing on the designation will not be permitted to testify unless the party offering  
6 the witness demonstrates: (a) that the necessity for the witness could not have been reasonably  
7 anticipated at the time the list was proffered; (b) that the court and opposing counsel were  
8 promptly notified upon discovery of the witness; and (c) that the witness was promptly made  
9 available for deposition.

10 For purposes of this scheduling order, an “expert” is any person who may be used  
11 at trial to present evidence under Rules 702, 703 and 705 of the Federal Rules of Evidence, which  
12 include both “percipient experts” (persons who, because of their expertise, have rendered expert  
13 opinions in the normal course of their work duties or observations pertinent to the issues in the  
14 case) and “retained experts” (persons specifically designated by a party to be a testifying expert  
15 for the purposes of litigation). A party shall identify whether a disclosed expert is percipient,  
16 retained, or both. It will be assumed that a party designating a retained expert has acquired the  
17 express permission of the witness to be so listed. Parties designating percipient experts must state  
18 in the designation who is responsible for arranging the deposition of such persons.

19 All experts designated are to be fully prepared at the time of designation to render  
20 an informed opinion, and give the bases for their opinion, so that they will be able to give full and  
21 complete testimony at any deposition taken by the opposing party. Experts will not be permitted  
22 to testify at trial as to any information gathered or evaluated, or opinion formed, after deposition  
23 taken subsequent to designation. All expert discovery shall be completed by **July 22, 2016**.

#### 24 VI. MOTION HEARING SCHEDULE

25 All dispositive motions, except motions for continuances, temporary restraining  
26 orders or other emergency applications, shall be heard no later than August 12, 2016.<sup>1</sup> The  
27

---

28 <sup>1</sup> Note that this date may not correspond to a law and motion calendar date.

1 parties may obtain available hearing dates by checking Judge Mueller's page on the court's  
2 website.

3 All purely legal issues are to be resolved by timely pretrial motions. Local Rule  
4 230 governs the calendaring and procedures of civil motions; the following provisions also apply:

5 (a) The opposition and reply must be filed by 4:00 p.m. on the day due; and

6 (b) When the last day for filing an opposition brief falls on a legal holiday, the  
7 opposition brief shall be filed on the last court day immediately preceding the legal holiday.

8 Failure to comply with Local Rule 230(c), as modified by this order, may be deemed consent to  
9 the motion and the court may dispose of the motion summarily. *Brydges v. Lewis*, 18 F.3d 651,  
10 652-53 (9th Cir. 1994).

11 The court places a page limit of twenty (20) pages on all moving papers, twenty  
12 (20) pages on oppositions, and ten (10) pages for replies. All requests for page limit increases  
13 must be made through the courtroom deputy clerk at least fourteen (14) days prior to the filing of  
14 the motion.

15 Prior to filing a motion in a case in which the parties are represented by counsel,  
16 counsel shall engage in a pre-filing meet and confer to discuss thoroughly the substance of the  
17 contemplated motion and any potential resolution. Plaintiff's counsel should carefully evaluate  
18 the defendant's contentions as to deficiencies in the complaint and in many instances the party  
19 considering a motion should agree to any amendment that would cure a curable defect. Counsel  
20 should discuss the issues sufficiently so that if a motion of any kind is filed, including for  
21 summary judgment, the briefing is directed only to those substantive issues requiring resolution  
22 by the court. Counsel should resolve minor procedural or other non-substantive matters during  
23 the meet and confer. **A notice of motion shall contain a certification by counsel filing the**  
24 **motion that meet and confer efforts have been exhausted, with a brief summary of meet and**  
25 **confer efforts.**

26 The parties are reminded that a motion *in limine* is a pretrial procedural device  
27 designed to address the admissibility of evidence. The court looks with disfavor upon  
28 dispositional motions presented at the Final Pretrial Conference or at trial in the guise of motions

1 *in limine*. Although all motions *in limine* must be filed in conjunction with the joint pretrial  
2 statement, the court will hear only those motions it has identified to counsel before the hearing  
3 date.

4 The parties are cautioned that failure to raise a dispositive legal issue that could  
5 have been tendered to the court by proper pretrial motion prior to the dispositive motion cut-off  
6 date may constitute waiver of such issue.

7 VII. SEALING

8 No document will be sealed, nor shall a redacted document be filed, without the  
9 prior approval of the court. If a document for which sealing or redaction is sought relates to the  
10 record on a motion to be decided by Judge Mueller, the request to seal or redact should be  
11 directed to her and not the assigned Magistrate Judge. All requests to seal or redact shall be  
12 governed by Local Rules 141 (sealing) and 140 (redaction); protective orders covering the  
13 discovery phase of litigation shall not govern the filing of sealed or redacted documents on the  
14 public docket. The court will only consider requests to seal or redact filed by the proponent of  
15 sealing or redaction. If a party plans to make a filing that includes material an opposing party has  
16 identified as confidential and potentially subject to sealing, the filing party shall provide the  
17 opposing party with sufficient notice in advance of filing to allow for the seeking of an order of  
18 sealing or redaction from the court.

19 VIII. FINAL PRETRIAL CONFERENCE

20 The Final Pretrial Conference is set for **October 27, 2016**, at 3:30 p.m. At least  
21 one of the attorneys who will conduct the trial for each of the parties shall attend the Final Pretrial  
22 Conference. If by reason of illness or other unavoidable circumstance a trial attorney is unable to  
23 attend, the attorney who attends in place of the trial attorney shall have equal familiarity with the  
24 case and equal authorization to make commitments on behalf of the client.

25 Counsel for all parties are to be fully prepared for trial at the time of the Final  
26 Pretrial Conference, with no matters remaining to be accomplished except production of  
27 witnesses for oral testimony. The parties shall confer and file a joint pretrial conference  
28 statement by **October 6, 2016**. The provisions of Local Rule 281 shall apply with respect to the

1 matters to be included in the joint pretrial statement. In addition to those subjects listed in Local  
2 Rule 281(b), the parties are to provide the court with the following:

3 - A plain, concise statement that identifies every non-discovery motion previously  
4 tendered to the court and its resolution.

5 - A concise, joint list of undisputed core facts that are relevant to each claim.  
6 Disputed core facts should then be identified in the same manner. The parties are reminded not to  
7 identify every fact in dispute but only those disputed facts that are essential to the formulation of  
8 each claim. Each disputed fact and undisputed fact should be separately numbered or lettered.  
9 Where the parties are unable to agree on the core disputed facts, they should nevertheless list core  
10 disputed facts in the above manner.

11 - Concise lists of disputed evidentiary issues that will be the subject of a party's  
12 motion *in limine*.

13 - Each party's points of law, which concisely describe the legal basis or theory  
14 underlying their claims and defenses. Points of law should reflect issues derived from the core  
15 undisputed and disputed facts. Parties shall not include argument with any point of law; the  
16 parties may include concise arguments in their trial briefs.

17 - A joint statement of the case in plain concise language, which will be read to the  
18 jury during voir dire and at the beginning of the trial. The purpose of the joint statement is to  
19 inform the jury what the case is about.

20 - The parties' position on the number of jurors to be impaneled to try the case.

21 Discovery documents to be listed in the pretrial statement shall not include  
22 documents to be used only for impeachment and in rebuttal.

23 The parties are reminded that pursuant to Local Rule 281 they are required to  
24 attach to the Final Pretrial Conference Statement an exhibit listing witnesses and exhibits they  
25 propose to offer at trial. After the name of each witness, each party shall provide a brief  
26 statement of the nature of the testimony to be proffered. The parties may file a joint list or each  
27 party may file separate lists. These list(s) shall not be contained in the body of the Final Pretrial

28 /////

1 Conference Statement itself, but shall be attached as separate documents to be used as addenda to  
2 the Final Pretrial Order.

3 Plaintiff's exhibits shall be listed numerically. Defendant's exhibits shall be listed  
4 alphabetically. The parties shall use the standard exhibit stickers provided by the court: pink for  
5 plaintiff and blue for defendant. In the event that the alphabet is exhausted, the exhibits shall be  
6 marked "AA-ZZ". However, if the amount of defendant exhibits exceeds "ZZ" exhibits shall be  
7 then listed as A-3, A-4, A-5 etc. All multi-page exhibits shall be stapled or otherwise fastened  
8 together and each page within the exhibit shall be numbered. The list of exhibits shall not include  
9 excerpts of depositions to be used only for impeachment. In the event that plaintiff(s) and  
10 defendant(s) offer the same exhibit during trial, that exhibit shall be referred to by the designation  
11 the exhibit is first identified. The court cautions the parties to pay attention to this detail so that  
12 all concerned, including the jury, will not be confused by one exhibit being identified with both a  
13 number and a letter. The parties are encouraged to consult concerning exhibits and, to the extent  
14 possible, provide joint exhibits, which shall be designated as JX and listed numerically, e.g., JX-  
15 1, JX-2.

16 The Final Pretrial Order will contain a stringent standard for the offering at trial of  
17 witnesses and exhibits not listed in the Final Pretrial Order, and the parties are cautioned that the  
18 standard will be strictly applied. On the other hand, the listing of exhibits or witnesses that a  
19 party does not intend to offer will be viewed as an abuse of the court's processes.

20 Counsel shall produce all trial exhibits to Casey Schultz, the Courtroom Deputy,  
21 no later than 3:00 p.m. on the Friday before trial.

22 Failure to comply with Local Rule 281, as modified by this order, may be grounds  
23 for sanctions.

24 The parties also are reminded that pursuant to Rule 16 of the Federal Rules of  
25 Civil Procedure it will be their duty at the Final Pretrial Conference to aid the court in: (a) the  
26 formulation and simplification of issues and the elimination of frivolous claims or defenses; (b)  
27 the settling of facts that should properly be admitted; and (c) the avoidance of unnecessary proof  
28 and cumulative evidence. Counsel must cooperatively prepare the joint Final Pretrial Conference

1 Statement and participate in good faith at the Final Pretrial Conference with these aims in mind.<sup>2</sup>  
2 A failure to do so may result in the imposition of sanctions which may include monetary  
3 sanctions, orders precluding proof, elimination of claims or defenses, or such other sanctions as  
4 the court deems appropriate.

5 Concurrently with the filing of the Joint Final Pretrial Conference Statement,  
6 counsel shall submit to chambers the word processable version of the Statement, in its entirety  
7 (including the witness and exhibit lists) to: [kjmorders@caed.uscourts.gov](mailto:kjmorders@caed.uscourts.gov).

8 IX. TRIAL SETTING

9 The jury trial is set for **December 5, 2016** at 9:00 a.m. The parties estimate a trial  
10 length of approximately seven days. Trial briefs are due by **November 21, 2016**.

11 X. SETTLEMENT CONFERENCE

12 The parties have expressed interest in appearing for settlement conference and  
13 have conflict to the assigned magistrate judge. A settlement conference is scheduled before  
14 Magistrate Judge Carolyn K. Delaney for **December 14, 2015** at 9:30 a.m. in Courtroom No. 24,  
15 8th Floor.

16 The parties are directed to submit their confidential settlement conference  
17 statements to the Court using the following email address: [ckdorders@caed.uscourts.gov](mailto:ckdorders@caed.uscourts.gov). If a  
18 party desires to share additional confidential information with the Court, they may do so pursuant  
19 to the provisions of Local Rule 270(d) and (e). Statements are due at least 7 days prior to the  
20 Settlement Conference. Each party is reminded of the requirement that it be represented in  
21 person at the settlement conference by a person able to dispose of the case or fully authorized to  
22 settle the matter at the settlement conference on any terms. See Local Rule 270.

23 XI. MODIFICATION OF STATUS (PRETRIAL SCHEDULING) ORDER

24 The parties are reminded that pursuant to Rule 16(b) of the Federal Rules of Civil  
25 Procedure, the Status (Pretrial Scheduling) Order shall not be modified except by leave of court

26 \_\_\_\_\_  
27 <sup>2</sup> “If the pretrial conference discloses that no material facts are in dispute and that the undisputed  
28 facts entitle one of the parties to judgment as a matter of law,” the court may summarily dispose  
of the case or claims. *Portsmouth Square v. Shareholders Protective Comm.*, 770 F.2d 866, 868-  
69 (9th Cir. 1985).

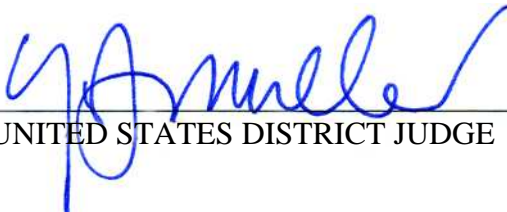

1 upon a showing of good cause. Agreement by the parties pursuant to stipulation alone does not  
2 constitute good cause. Except in extraordinary circumstances, unavailability of witnesses or  
3 counsel does not constitute good cause.

4 XII. OBJECTIONS TO STATUS (PRETRIAL SCHEDULING) ORDER

5 This Status Order will become final without further order of the court unless  
6 objections are filed within fourteen (14) *calendar* days of service of this Order.

7 IT IS SO ORDERED.

8 DATED: September 4, 2015.
