8 UNITED STATES DISTRICT COURT
9 FOR THE EASTERN DISTRICT OF CALIFORNIA
10

11 DOUGLAS MACKENZIE,

No. 2:15-cv-01254 AC P

12 Petitioner,

13 v.

ORDER

14 PAM AHLIN, Director, California State
15 Hospitals,

16 Respondent.
17

18 Petitioner proceeds pro se with an application to proceed in forma pauperis and a petition
19 for writ of habeas corpus under 28 U.S.C. § 2241. Petitioner, who is currently detained at
20 Coalinga State Hospital, is challenging civil detention proceedings under California's Sexually
21 Violent Predator Act that are currently pending against him in Orange County, California.
22 Petitioner states that federal authorities have suspended his deportation proceedings pending the
23 conclusion of these state proceedings.

24 Petitioner's place of detention is within the jurisdiction of this court's Fresno division.
25 However, petitioner is attempting to challenge proceedings that are pending in Orange County,
26 which is within the jurisdiction of the United States District Court for the Central District of
27 California. Because witnesses and evidence necessary for the resolution of petitioner's
28 application are more readily available in Orange County, this action will be transferred to the

1 Central District. See 28 U.S.C. § 2241(d) (courts with concurrent jurisdiction under Section 2241
2 may transfer the action to the alternate jurisdiction “in furtherance of justice”); see also Braden v.
3 30th Judicial Circuit Court, 410 U.S. 484, 499 n.15 (1973) (the most convenient forum is
4 generally the district in which petitioner’s detainer was lodged).

5 Accordingly, in furtherance of justice, IT IS HEREBY ORDERED that:

6 1. This court has not ruled on petitioner’s application to proceed in forma pauperis; and

7 2. This matter is transferred to the United States District Court for the Central District of
8 California.
