ORDER

Plaintiff is a state prisoner proceeding pro se and in forma pauperis with a civil rights action under 42 U.S.C. § 1983. Plaintiff claims defendant failed to provide adequate medical care in violation of his rights under the Eighth Amendment. In their respective pretrial statements both parties indicate that they are willing to participate in a settlement conference. (ECF Nos. 44, 45.)

Pursuant to Local Rule 270(b) both parties must affirmatively request that the assigned magistrate judge participate in a settlement conference and waive in writing any claim of disqualification on that basis. The parties will be directed to file a response to this order confirming that they are still willing to participate in a settlement conference and that they are willing to have the undersigned preside over the settlement conference.
