STIPULATION

This stipulation to extend the time to finalize the settlement of this action is entered into by and between defendants and counter-claimants Car Registration, Inc., Gregory Sanders and Cathy Sanders (collectively “Defendants”), on the one hand, and plaintiff and counter-defendants Cartagz, Inc., Troy Greeson and Chrizelda Machuca (collectively “Plaintiffs”), on the other hand, (collectively, the “Parties”) by and through their respective counsel of record with reference to following facts:

WHEREAS, on August 11, 2016, the Parties met in a settlement conference and resolved to settle the above referenced litigation prior to trial;

WHEREAS, the principal terms of the settlement were set forth on the record, including an agreement to file by August 31, 2016 a stipulated order concisely setting forth all aspects of the settlement agreement;

WHEREAS, counsel for Defendants took the “laboring oar” in preparing the first draft of the settlement agreement and timely provided it to counsel for Plaintiffs, on August 19, 2016;

WHEREAS, since August 19, 2016, certain issues and disagreements have arisen that have prevented the Parties from completing the negotiation and drafting of the settlement papers;

WHEREAS, counsel for Plaintiffs, Matthew Brady, recently had surgery and needed additional time to confer with defense counsel on the drafting of the settlement papers;

WHEREAS, the Parties have successfully resolved many issues relating to the drafting of the settlement papers, but are in need of additional time to negotiate the last few remaining issues relating to the language of the final settlement agreement;

WHEREAS, the Parties are hopeful and fully anticipate that they will agree upon the language of the final settlement agreement as only a very few issues remain; and

WHEREAS, the Parties mutually agree that the Court may enter an order upon this stipulation.
