4 Pursuant to Federal Rule of Civil Procedure 69(a)(1), “The procedure on execution -  
5 and in proceedings supplementary to and in aid of judgment or execution – must accord with  
6 the procedure of the state where the court is located, but a federal statute governs to the extent  
7 it applies.” In turn, California Code of Civil Procedure § 708.110 provides, in relevant part:  
8

9  
10 (a) The judgment creditor may apply to the proper court for an order requiring  
11 the judgment debtor to appear before the court, or before a referee appointed  
12 by the court, at a time and place specified in the Order, to furnish information  
13 to aid in enforcement of the money judgment.

14 (b) If the judgment creditor has not caused the judgment debtor to be examined  
15 under this section during the preceding 120 days, the court shall make an order  
16 upon ex parte application of the judgment creditor.

17 (c) If the judgment creditor has caused the judgment debtor to be examined  
18 under this section during the preceding 120 days, the court shall make the  
19 order if the judgment creditor by affidavit or otherwise shows good cause for  
20 the order. The application shall be made on noticed motion if the court so  
21 directs or a court rule so requires. Otherwise, it may be made ex parte.

27 terminated by the court.

28 (e) The order shall contain the following statement in 14-point boldface type if
