Case No. 2:15-cv-02453-TLN-CKD

**STIPULATION AND ORDER TO EXTEND  
 EXPERT DISCLOSURE CUTOFF DATE**

Judge: The Honorable Troy L. Nunley  
 Crt. Rm.: 2, 15<sup>th</sup> Floor

20 v.  
 21 McNEILUS TRUCK AND  
 22 MANUFACTURING INC., and DOES 1  
 23 through 100, inclusive,  
 24 Defendants

25 Subject to the approval of this Court, the parties hereby stipulate to extend the deadline for  
 26 disclosure of expert witnesses from March 1, 2017 to April 3, 2017, with the deadline to  
 27 designate supplemental list of expert witnesses to be set twenty days thereafter on May 4, 2017.  
 28

1 This additional time is necessary because Waste Management witnesses continue to be deposed  
2 and identified in response to Defendant McNeilus Truck and Manufacturing, Inc.'s FRCP  
3 30(b)(6) deposition notice. Despite the parties' diligence in coordinating depositions and  
4 conducting discovery, the Parties wish to postpone the expert disclosures again to allow time to  
5 process the evidence expected from Waste Management's 30 (b)(6) deposition(s) before  
6 confirming their selection of experts and submitting their reports. Further, the parties have  
7 restarted settlement negotiations which will be hindered if the expert disclosure date is not  
8 amended.

10 Trial in this matter is set for August 7, 2017, and thus the amended schedule would still  
11 comport with the requirement that expert disclosures be made 90 days before trial. Fed. R. Civ.  
12 P.26(a)(2)(D). The requested extension will not affect any of the other dates set in this case. The  
13 parties have conferred and jointly agree to this extension.
