7	UNITED STATES DISTRICT COURT	
8	FOR THE EASTERN DISTRICT OF CALIFORNIA	
9		
10	NEAL O'NEILL,	No. 2:16-cv-0417 KJN P
11	Petitioner,	
12	v.	<u>ORDER</u>
13	STATE OF CALIFORNIA,	
14	Respondent.	
15		
16	Petitioner is a state prisoner, proceeding without counsel. On June 23, 2016, this action	
17	was dismissed without prejudice. On July 29, 2016, petitioner filed an appeal, which remains	
18	pending. On February 2, 2017, petitioner filed a motion to reopen the case. Petitioner asks the	
19	court to permit him to submit the missing page eight that would inform the court and respondent	
20	whether petitioner was pursuing one or two claims. However, the instant petition was not	
21	dismissed on the basis of the missing page; indeed, the missing page 8 was located and scanned in	
22	by the clerk. (ECF No. 13 at 2-4, n.2.) Moreover, the petition was dismissed because petitioner's	
23	direct appeal was pending in state court. Thus, petitioner's motion does not raise a substantial	
24	issue at this time. Fed. R. Civ. P. 62.1. Accordingly, IT IS HEREBY ORDERED that	
25	petitioner's motion is denied (ECF No. 23) without prejudice.	
26	Dated: February 22, 2017
