UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

TED DARNELL DANIELS, Plaintiff, v. ERIC ARNOLD, Defendants.	No. 2:16-cv-0551 MCE AC P <u>ORDER</u>
-----------------------------------------------------------------------------------------	-----------------------------------------------

Plaintiff is a state prisoner proceeding pro se with this civil rights action against sole defendant Dr. Marianna Lotersztain on an Eighth Amendment claim of deliberate indifference to plaintiff’s serious medical needs. Due to the current COVID-19 health crisis and associated prison restrictions concerning library access, as well as a standard 90-day interval for prisoners to request Olsen medical record reviews, plaintiff requests a 90-day extension of the discovery deadline. ECF No. 48. The current discovery deadline is May 1, 2020, and the deadline for dispositive motions is July 31, 2020. ECF No. 41. Plaintiff’s request includes several documents reflecting his efforts to obtain an earlier review of his medical records. For good cause shown, plaintiff’s request will be granted and all current deadlines will be extended.

Accordingly, IT IS HEREBY ORDERED that:
1. Plaintiff’s request for extended time, ECF No. 48, is granted.
