UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

TRAVON LEON FREEMAN,
Plaintiff,
v.
E. LYNCH et al.,
Defendants.

No. 2:16-cv-00705-MCE-DMC

ORDER

The Court has reviewed pro se Plaintiff Travon Leon Freeman’s (“Plaintiff”) Motion for Temporary Restraining Order, Preliminary Injunction, and Order to Show Cause, which asks the Court to order Defendants to return Plaintiff’s personal property. ECF No. 85. Plaintiff fails to demonstrate he will suffer irreparable harm absent a court order directing the return of his personal property. See Caribbean Marine Serv. Co. v. Baldrige, 844 F.2d 668, 674 (9th Cir. 1988). Therefore, Plaintiff’s Motion is DENIED.

IT IS SO ORDERED.

Dated: December 4, 2019
