Case No.: 2:16-cv-01267-EFB

STIPULATION FOR FINAL 7 DAY
 EXTENSION FOR PLAINTIFF TO FILE
 OPENING BRIEF

24 IT IS STIPULATED, by and between the parties, through their respective counsel of record,
 25 that the time for Plaintiff to file his Motion for Summary Judgment/Remand be extended seven (7)
 26 days until February 23, 2017. This will be Plaintiff's final request for an extension of time.
 27 Plaintiff's counsel has not prepared Plaintiff's opening brief in accordance with the current
 28 scheduling order due to multiple conflicting deadlines relative to counsel's current workload, which
 involved a Ninth Circuit oral argument this week, multiple district court briefs filed in other social
 security cases counsel is handling, and preparation of post-trial motions in a recently completed jury
 trial in state court. Counsel apologizes to the Court and defendant for any inconvenience this request
 for a final extension poses.
