UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

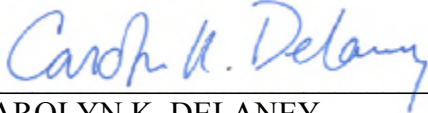

JOHN CLINT DRAPER,
Plaintiff,
v.
A. GARCIA,
Defendant.

No. 2:16-cv-1917 GEB CKD P

ORDER

Plaintiff has filed a “motion for discovery.” Plaintiff is informed that he need not seek the court’s permission to engage in discovery with defendant Garcia, and plaintiff should not file discovery requests served upon defendant Garcia with the court unless they are part of a motion to compel discovery. Plaintiff’s November 18, 2016 “motion for discovery,” ECF No. 14, is therefore denied.

Dated: December 1, 2016
