

1 Furthermore, the court notes that plaintiff has not yet indicated whether or not he consents
2 to the jurisdiction of the magistrate judge for all purposes. Therefore, plaintiff is directed to file a
3 brief statement indicating whether or not he consents to the jurisdiction of a United States
4 magistrate judge for all purposes pursuant to 28 U.S.C. § 636(c). Importantly, plaintiff is under
5 no obligation to so consent – plaintiff’s designation merely assists the court in determining how
6 the case should be administratively processed.

7 Accordingly, IT IS HEREBY ORDERED that:

- 8 1. No later than June 12, 2017, plaintiff shall show cause in writing why this action
9 should not be dismissed based on plaintiff’s failure to file a motion for summary
10 judgment and prosecute this case.
- 11 2. No later than June 12, 2017, plaintiff shall file a motion for summary judgment that
12 meets the requirements of the court’s October 21, 2016 scheduling order.
- 13 3. No later than June 12, 2017, plaintiff shall file a brief statement indicating whether or
14 not he consents to the jurisdiction of a United States magistrate judge for all purposes
15 pursuant to 28 U.S.C. § 636(c).
- 16 4. Failure to timely respond to the order to show cause and to timely file a motion for
17 summary judgment may result in dismissal of the action pursuant to Federal Rule of
18 Civil Procedure 41(b).
- 19 5. The Clerk of Court shall serve another copy of the court’s October 21, 2017
20 scheduling order (ECF No. 4) on plaintiff along with a copy of this order.

21 IT IS SO ORDERED.
