I, Douglas R. Thorn, declare:

1. I am moving ex parte for leave to file a late opposition. I worked on the brief most and research most of the day yesterday, April 30, 2020, and into the night. At around 11:00 p.m. I made a mistake saving and closing several windows to clear my screens and saved over the file containing the main part of my brief. I did not want to wait until the following day to redo the work and began rewriting the brief right away while I had the material out and in mind. I did not finish the brief and this declaration until approximately 5:30 a.m. today, May 1, 2020. I apologize for the late filing and any inconvenience it may have caused the Court or moving parties.

2. I did not seek a stipulation because it is before business hours and I wanted to get the application on file immediately.
