IT IS STIPULATED, by and between the parties, through their respective counsel of record, that the time for Defendant to respond to Plaintiff's Motion for Summary Judgment be extended until January 8, 2018. This is Defendant's second request for an extension of time to respond. Defense counsel requires additional time to obtain pages missing from the transcription of the administrative hearing, fully review the completed administrative record and consider the government's

1 position. Because the Court Case Preparation and Review Branch of the Office of  
2 Appellate Operations no longer has the original transcript, they must recontact the  
3 transcriber. Defense counsel's review of the record was delayed due to recent  
4 relocation and subsequent injury. The Commissioner will file a Supplemental  
5 Certified Administrative Record and is willing to stipulate to additional time, if  
6 necessary, for Plaintiff to consider the completed record. Plaintiff's counsel does  
7 not object and agrees that all subsequent deadlines should be accordingly extended.

ORDER

Based upon the parties' stipulation, defendant's time to respond to plaintiff's motion for summary judgment is extended until January 8, 2018. However, defendant shall file the supplemental administrative transcript as soon as possible, since the administrative transcript was originally filed on May 15, 2017. (ECF No. 12.)

Moreover, defendant is encouraged to file her cross motion for summary judgment before January 8, 2018, if possible. This matter was filed on November 24, 2016; defendant filed her answer and the administrative transcript on May 15, 2017; and plaintiff was granted two extensions to file his motion for summary judgement. (ECF Nos. 1, 11, 12, 14, 17.) Therefore, the court is disinclined to grant any further extensions in this matter.

IT SO ORDERED:

Dated: November 9, 2017

  
KENDALL J. NEWMAN  
UNITED STATES MAGISTRATE JUDGE
