UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF CALIFORNIA

CRYSTAL LAKES,

Plaintiff,

v.

BATH AND BODY, LLC,

Defendant.

No. 2:cv-16-2989 MCE GGH

ORDER RE COMMENCEMENT OF TIME  
PERIODS IN SCHEDULING ORDER

The District Judge's Scheduling Order, ECF No. 4, hinges the deadlines for other pertinent deadlines in this case on the close of non-expert discovery. By Order of 5/11/2018, ECF No. 66, non-expert discovery closes on July 30, 2018. No further extensions of non-expert discovery will be authorized absent compelling reasons. Even in the event that compliance with non-expert discovery orders requires actions past July 30, 2018, or even in the unlikely event that the court would permit some limited extension of the non-expert discovery period, the time periods in the Scheduling Order hinged to the close of non-expert discovery will commence running on July 30, 2018.
