UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

TOMMY GENE DANIELS,
Petitioner,
v.
WARDEN SHAWN HATTON,
Respondent.

No. 2:16-cv-3025 MCE AC P

ORDER

Petitioner, through counsel, has filed a request for an extension of his time to file a traverse, up to and including August 30, 2017. ECF No. 20. Although the request is unopposed, petitioner states only “that counsel needs additional time to research and draft the reply brief, in light of commitments in other cases and the complexity of the issues.” *Id.* at 1. Requests for extensions of time must be supported by good cause, Fed. R. Civ. P. 6(b)(1), and petitioner’s general assertion is insufficient to establish such cause or justify the length of the extension requested. However, since the request is unopposed, it will be granted in part and any further requests for extension must be properly supported.
