**STIPULATION AND ORDER TO AMEND
 SCHEDULE**

24

 28

1 Pursuant Local Rule 143, the parties hereby stipulate, move, and propose that the Court
2 amend the controlling “Scheduling Order,” i.e., the Court’s Status (Pretrial Scheduling) Order
3 dated June 29, 2017 (ECF No. 20) and most recent amendment dated March 6, 2018 (ECF No.
4 50). The parties submit that good cause supports the amendments proposed below not only
5 because the parties agree to them, but also because their agreement follows their meeting and
6 conferring about Defendants’ contention that more time is needed for expert reports, Plaintiff’s
7 contention that more financial discovery is due from Defendants; and the parties’ continued
8 participation in mediation before the United States Magistrate Judge. At this time, the parties do
9 not propose any amendment to the current trial date or trial-associated deadlines.¹

10 1. Any joinder of parties or amendments to the pleadings shall be filed by **July 19,**
11 **2018** (rather than the current deadline of April 16, 2018).

12 2. The parties shall provide opening expert reports by **July 27, 2018** (rather than the
13 current deadline of June 8, 2018).

14 3. The parties shall provide responsive expert reports by **September 25, 2018** (rather
15 than the current deadline of July 27, 2018).

16 4. All discovery (fact or expert) shall conclude by **December 20, 2018** (in place of
17 the direction in the Scheduling Order that “[a]ll expert discovery shall be completed by
18 September 10, 2018,” ECF No. 20 at 4:12).

19 5. All dispositive motions, except motions for continuances, temporary restraining
20 orders or other emergency applications, shall be heard no later than **February 19, 2019** (rather
21 than the current deadline of November 16, 2018).

22 6. Unless the Court directs otherwise at the mid-litigation status conference,
23 scheduled for October 25, 2018, at 2:30 p.m. or at any hearing on any dispositive motion, at this
24 time there are no changes to all remaining deadlines—regarding, for example, the joint pretrial
25 conference statement; motions in *limine*; the final pretrial conference; and trial scheduling—as set
26

27 _____
28 ¹ This Stipulation and proposed Order uses terms like “opening expert reports” and “responsive
expert reports,” which carry the same meaning as provided in the Court’s Scheduling Order.

1 forth in the Scheduling Order.

2 7. Except as provided in Paragraphs 1-6 above, the Scheduling Order remains in
3 effect.

5 Dated: April 10, 2018
