UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

GERMAN YOVANI QUEZADA,
Petitioner,
v.
W.L. MUNIZ,
Respondent.

No. 2:17-cv-0243 AC P

ORDER

On March 18, 2017, petitioner filed a petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254 and motion to stay. ECF No. 4. However, he did not file an application to proceed in forma pauperis or pay the filing fee. Petitioner was given thirty days to either file an application or pay the fee. ECF No. 5. Thirty days have passed and the court has not received either a completed application or the filing fee. However, petitioner has submitted a notice advising the court that he submitted two requests to the trust office to forward the filing fee to the court. ECF No. 6. Accordingly, petitioner shall have an additional thirty days to pay the filing fee.

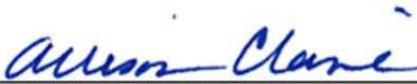

In addition to notifying the court that he has requested the filing fee be paid, petitioner also advises that the California Supreme Court has denied his previously pending state habeas petition. Id. at 1-2. The court will therefore deny petitioner’s pending motion to stay as moot and proceed to screen the petition once the filing fee has been received.
