UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

RENE ORTIZ,

 Plaintiff,

 v.

DIVERSIFIED CONSULTANTS, INC., et
al.

 Defendants.

No. 2:17-cv-713-TLN-KJN PS

ORDER

Presently pending before the court is plaintiff’s motion to postpone any proceedings in the case until July 18, 2018, due to plaintiff’s travel outside the United States. (ECF No. 54.)

At present, the court has issued findings and recommendations that the case be dismissed; plaintiff, having already received an extension of time, has filed objections and amended objections to the findings and recommendations; and defendants have filed a reply to plaintiff’s objections. (ECF Nos. 47, 52, 53, 55.) As such, no further filings or actions from the parties are required, or indeed, permitted, and the matter is ripe for resolution by the assigned district judge, as his schedule permits. Consequently, there is no need for a postponement of any proceedings.
