UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

LISA BELYEW,
Plaintiff,
v.
LARRY LORMAN, et al.,
Defendants.

No. 2:17-cv-0723 CKD P

ORDER

Plaintiff has filed a motion asking that the court order various parties to provide certain items to the court and that the court then hold those items for a trial which has not yet been scheduled. Plaintiff fails to point to any valid authority in support of this request and has not shown good cause for the granting of such a request. Accordingly, the request will be denied. The court views plaintiff's request as frivolous and plaintiff is warned that if she continues to file frivolous motions with the court, sanctions, including monetary sanctions or dismissal of this action, may issue.
