UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

KENNETH RALPH FRY,
Plaintiff,
v.
MATTHEW P. O’DEA,
Defendant.

No. 2:17-mc-00102-KJM-AC

ORDER

This matter, which is referred to the undersigned pursuant to LR 302(c)(21), is a registration of a foreign judgment. ECF No. 1. The judgment has been registered and this case has been closed. Id. Lawrence E. Pecan, proceeding pro se, now moves as judgment assignee to have the caption changed to reflect himself as the plaintiff. ECF No. 2. The docket currently reflects Mr. Pecan’s status as “Intervenor Plaintiff.” Mr. Pecan also moves for CM/ECF filing privileges pursuant to Local Rule 133(b)(2). The undersigned agrees that the case caption should be corrected to identify Mr. Pecan, who has provided documentation of the judgment assignment, as plaintiff in this matter. Id. However, because no further filings are required in this case and the case is closed, issuance of CM/ECF credentials to Mr. Pecan is not appropriate or necessary.
