2 does not have his legal materials and seeks an extension of time to file objections until he after he
3 has obtained them.

4 As noted above, plaintiff's objections to the findings and recommendations are not due to
5 be placed in the prison mail until August 5. If plaintiff does not obtain his legal materials in
6 sufficient time to meet that deadline, he should notify the court and another extension of time will
7 be granted. In addition, if plaintiff is experiencing trouble getting access to his legal materials, he
8 may seek assistance from the court.

9 In his recent filing, plaintiff also requests a settlement conference. The court previously
10 found plaintiff failed to exhaust his administrative remedies and recommended this case be
11 dismissed on that basis. Therefore, a settlement conference is not appropriate at this time.

12 Accordingly, IT IS HEREBY ORDERED as follows:

- 13 1. The Clerk of the Court is directed to change plaintiff's address to Kern Valley State
14 Prison, P.O. Box 5104, Delano, CA 93216.
- 15 2. Plaintiff's request for an extension of time (ECF No. 54) is denied without prejudice to
16 its renewal at a later date.
- 17 3. Plaintiff's request for a settlement conference (ECF No. 54) is denied.
