UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

LARRY SERMENO,
Plaintiff,
v.
MICHAEL RAMSEY,
Defendant.

No. 2:18-cv-2442 JAM KJN P

ORDER

Plaintiff, a state prisoner proceeding pro se, filed this civil rights action seeking relief under 42 U.S.C. § 1983. The matter was referred to a United States Magistrate Judge pursuant to 28 U.S.C. § 636(b)(1)(B) and Local Rule 302.

On September 11, 2018, the magistrate judge filed findings and recommendations herein which were served on plaintiff and which contained notice to plaintiff that any objections to the findings and recommendations were to be filed within fourteen days. Plaintiff filed objections to the findings and recommendations. However, plaintiff did not sign his objections.

Parties proceeding without counsel are required to sign all pleadings, motions, and other papers submitted to the court for filing. Fed. R. Civ. P. 11(a). Thus, the court is unable to consider plaintiff's objections unless he signs them.

Plaintiff is granted an opportunity to re-file his objections, including a signature page bearing his signature. Plaintiff is cautioned that this is not an opportunity for him to file new or

1 amended objections, but rather to provide a signature on the objections submitted on October 1,
2 2018. Further, plaintiff is warned that failure to submit signed objections could result in the
3 district court considering the findings and recommendations without reviewing plaintiff's
4 objections, or dismissal of this action based on plaintiff's failure to comply with this court's
5 order. Fed. R. Civ. P. 41(b).

6 Accordingly, IT IS HEREBY ORDERED that:

7 1. The Clerk of the Court shall send plaintiff a copy of plaintiff's October 1, 2018
8 objections, without the banner across the top (ECF No. 10); and

9 2. Within twenty-one days, plaintiff shall re-file signed objections to the findings and
10 recommendations.

11 Dated: October 11, 2018
