UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

GREGORY GOODS,
Plaintiff,
v.
CARSON, *et al.*,
Defendants.

Case No. 2:20-cv-00416-DAD-JDP (PC)

ORDER

Plaintiff has filed a motion for an extension of time to file objections to the April 24, 2023 findings and recommendations.¹ ECF No. 87. Good cause appearing, it is hereby ORDERED that:

1. Plaintiff’s motion for an extension of time, ECF No. 87, is granted.
2. Plaintiff is granted until May 24, 2023 to file objections to the April 24, 2023 findings and recommendations.

¹ On the same day plaintiff’s motion appeared on the docket, I referred this case to the court’s ADR program and stayed it for 120 days. In light of the overlap, I will grant plaintiff’s request for additional time to file objections, but apart from his objections and the resolution of the April 24, 2023 findings and recommendations, this matter is stayed.
