**JOINT STIPULATION AND REQUEST

Complaint Filed: July 6, 2020
 Trial Date: TBD

1 Counsel for Plaintiff JULIE AMORUSO (“Plaintiff”) and Defendant THE
2 PERMANENTE MEDICAL GROUP, INC. (“Defendant”), (collectively referred to as the
3 “Parties”), hereby enter into the following Joint Stipulation and request the Court to extend
4 certain pretrial deadlines, pursuant to applicable Local Rules. These are the only two Parties to
5 this Action.

6 1. This is an Action for alleged violation of Title VII of the Civil Rights Act of 1964
7 and the California Fair Employment and Housing Act, for Failure or Refusal to Hire on Basis of
8 Religion; Failure to Provide Religious Accommodation; and Disparate Impact on the Basis of
9 Religion. The Parties have engaged in extensive written discovery and completed several
10 depositions. After the conclusion of recent depositions, the Parties have agreed to engage in ADR
11 in a good faith effort to resolve this matter. The Parties postponed remaining depositions
12 scheduled for this week and jointly request a stay of the current deadlines. No trial date has been
13 set at this time. Furthermore, one witness remains unavailable for deposition due to an ongoing
14 leave issue. The Parties are meeting and conferring further today and tomorrow to select a
15 mediator and mediation date.

16 2. The Court has previously granted continuances in this matter to allow the Parties
17 to complete discovery. As the Parties now wish to engage in ADR, good cause exists for a
18 further continuance to allow for the ADR process, and to allow the remaining witness to return
19 from leave and appear for deposition if necessary. Because no trial date has been set in this
20 matter, the Parties agree no prejudice will be suffered by the Parties and the Court’s docket will
21 not be adversely impacted by granting this request.

22 3. The Parties hereby jointly request the Court to grant the Parties further time to engage in
23 mediation, prior to the completion of discovery, by moving the current deadlines by 120 days.
24 More specifically, the Parties request the following pretrial deadlines to be continued as follows:

4. The Parties agree to submit a joint report to the Court within 10 business days of the conclusion of the mediation to apprise the Court of the results and to propose deadlines for any necessary remaining events.

It is so AGREED.
