5. All references to the record and all assertions of fact must be accompanied by citations to the record. The parties' briefs should not include recitations of the facts. Instead, the parties should focus on addressing arguments. Arguments in support of or in opposition to each claim of error must be supported by citations to legal authority and explanations of the application of such authority to the facts. Briefs that do not substantially comply with these requirements may be stricken.
6. Requests for modification of this briefing schedule will not routinely be granted. Any such request must be made by motion—preferably stipulated—and will be granted only for good cause. A motion for a modification brought on the filing deadline will be looked on with disfavor. Local Rule 144(d).
7. Violations of this order or of the federal rules of procedure or the Local Rules may result in sanctions pursuant to Local Rule 110.

14 IT IS SO ORDERED.
