1 The Status (Pretrial Scheduling) Conference is set for February 17, 2023. Based on that
2 date, the parties are to meet and confer and prepare a Joint Status Report by February 3, 2023.
3 Defendants have a motion to dismiss scheduled for hearing on February 17, 2023. The legal
4 defenses raised by the motion so pervade the case as to render impracticable any meaningful
5 scheduling prior to their resolution. Given the pending motion, the parties request that the Status
6 (Pretrial Scheduling) Conference be continued until at least 60 days after Defendants answer the
7 operative complaint, which interval would give counsel the time and ability to ascertain the work
8 required to resolve the disputed facts and any further legal issues.

9 IT IS SO STIPULATED.
