21 IT IS STIPULATED, by and between the parties, through their respective counsel of
22 record, that the time for Plaintiff to respond to Defendant's Complaint be extended until August
23 16, 2024. This is Plaintiff's second request for an extension of time to respond. Plaintiff's
24 counsel requires additional time to review and consider the government's position due to an
25 emergency hearing being scheduled near and around the stipulated reply date. Defendant's
26 counsel does not object and agrees that all subsequent deadlines should be accordingly extended.
