UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA

DEANDRE ROBINSON,
Plaintiff,
v.
NOAH WILLSMORE,
Defendant.

No. 2:24-cv-3681 AC P

ORDER

Plaintiff DeAndre Robinson filed a civil rights complaint against defendant Noah Willsmore, which was docketed under the above-captioned case number. ECF No. 1. In reviewing plaintiff’s prior lawsuits, the court noticed that plaintiff had previously filed two other civil rights complaints against the same defendant in this court, which have been designated by separate case numbers: 24-cv-2246 DAD SCR and 24-cv-2510 SCR. The complaints in the three cases involve different incidents alleged to have occurred between plaintiff and defendant. On December 9, 2024, before the present case was filed, plaintiff filed notices in his other cases against defendant Willsmore inquiring why two case numbers had been assigned to his case against defendant Willsmore. See Case Nos. 24-cv-2246 DAD SCR, ECF No. 14; 24-cv-2510 SCR, ECF No. 5. Plaintiff’s notice in those cases suggest that he intended to amend or supplement his initial complaint against Willsmore and not to create separate cases. Accordingly,
///

1 the court seeks clarification from plaintiff as to whether he intended this case to be a separate
2 case.

3 Accordingly, IT IS HEREBY ORDERED that:

4 1. Within **fourteen days** of the service of this order, plaintiff shall notify the court
5 whether he intended the attached complaint to be filed as a separate case or as an amendment to
6 his August 2024 complaint against defendant Willsmore. If plaintiff does provide the required
7 notice, the attached complaint will be filed as a motion to amend the complaint in Robinson v.
8 Willsmore, No. 2:24-cv-2246 DAD SCR, and this case will be closed.

9 2. The Clerk of the Court is directed to attach a copy of the complaint filed December 23,
10 2024 (ECF No. 1) to this order.
