An extension of time for plaintiff is needed due to a serious illness in Counsel's family. Counsel's Spouse recently concluded her second course of chemotherapy to treat her Stage IV breast cancer which has metastasized to her liver. Counsel's spouse has begun her third round of chemotherapy due to progression of her cancer and a lack of positive response to the prior treatment. Counsel requires the additional time to prepare his Motion for Summary Judgment to allow him to devote the appropriate time to assist his Spouse and his two pre-school aged children through this obviously stressful experience.

Counsel sincerely apologizes to the court for any inconvenience this may have had upon it or its staff.
