UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
EUREKA DIVISION

FREE LAZOR aka, P.F. LAZOR
Petitioner,
v.
WILLIAM MUNIZ,
Respondent.

Case No. 16-cv-6585-NJV (PR)

ORDER DISMISSING PETITION

Petitioner, a California prisoner, filed a pro se petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254 challenging the denial of parole by the Board of Parole Hearings. The petition was dismissed with leave to amend after the court found that petitioner failed to present a federal claim. Petitioner was granted an extension of time and the amended petition was due by February 17, 2017. That date has passed and petitioner has not filed an amended petition or otherwise communicated with the court. This case is therefore **DISMISSED** for the reasons stated in the prior order and a certificate of appealability is **DENIED**.

IT IS SO ORDERED.

Dated: April 4, 2017
