

**Amendment to the September 22, 2008  
Directive: Compensatory Services**

1) By 10/1/08 CDE will provide data to the Court Monitor, Plaintiffs' Counsel and the District indicating:

a) The number and percentage of eligible students whose parents were contacted with an offer of compensatory education;

**350 parents (100%), in both English and Spanish.<sup>1</sup>**

b) The number and percentage of parents contacted who accepted the offer;

**76 parents of the eligible students have accepted the offer. This number reflects 30% of the parents whose children are owed compensatory services.**

c) the number and percentage of eligible students whose compensatory services have started;

**38 students represent 15% of the students owed compensatory services and 50% of those students whose parents have consented to the receipt of these services.**

d) the number and percentage of eligible students whose compensatory services have been completed;

**0**

e) the number of providers contracted with by CDE to provide compensatory services; and

**One statewide nonpublic agency with multiple offices.**

f) the extent to which, if any, District providers can deliver compensatory education in addition to their regular service delivery responsibilities.

**The District has identified four staff to provide compensatory education and has indicated that additional staff may be available.<sup>2</sup>**

---

<sup>1</sup> The number 350 reflects the total number of students eligible for Special Education. However, it was subsequently determined that 250 of those students are owed compensatory services.

<sup>2</sup> To date CDE has not received confirmation from the District as to the precise number of students which they have begun to serve.

2) By 10/1/08 CDE will provide to the Court Monitor, Plaintiffs' Counsel, and the District a spreadsheet indicating, for each eligible student:
