Case No. 96-cv-04179-TEH

ORDER SEALING DOCKET ENTRIES

United States District Court
Northern District of California

9
10 Federal Rule of Civil Procedure 5.2(a) requires that the names of minors be
11 redacted from filings made with the Court. After it came to the Court’s attention that the
12 California Department of Education (“CDE”) may have inadvertently filed several
13 documents containing the unredacted names of minors, the Court issued a sealed Order on
14 February 2, 2015, instructing the CDE to review its filings in this case to identify any
15 documents impermissibly containing the unredacted names of minors. (Docket No. 2015).
16 The CDE complied with the Court’s instructions, and on February 17, 2015, filed a motion
17 asking the Court to seal or redact six documents: Docket Nos. 1300, 1342, 1365, 1310,
18 1474-2, and 1476. (Docket No. 2017).

19 Good cause appearing, the Court now GRANTS the CDE’s motion, with minor
20 alterations to preserve the public nature of portions of the identified documents that do not
21 contain any names. Accordingly, the Court hereby ORDERS that the following ECF
22 documents be retroactively sealed: Docket Nos. 1300-5, 1310, 1342, 1365, 1474-2, 1476,
23 and 1482.
