This Writ has been issued

This Writ has been issued at the request of the United States of America to enforce the collection of a civil judgment entered in favor of the United States against the debtor for a defaulted student loan in the amount of \$3,896.60. There is a balance of \$5,429.81 due on the judgment, which amount includes costs and interest computed through May 16, 2017.

The following are the steps that you must take to comply with this Writ. If you have any questions, you should consult with your attorney.

- 1. Pursuant to 28 U.S.C. § 3205(c)(2)(F), if you have in your custody, control, or possession any property of the debtor, including wages, salary, or commissions, in which the debtor has a substantial nonexempt interest, or if you obtain custody, control, or possession of such property while this Writ is in effect, you must immediately withhold such property from the debtor and retain it in your possession until you receive instructions from the Court which will tell you what to do with the property. The United States has requested that the sum of 25% of the debtor's disposable earnings, which under California law represents the nonexempt portion of the debtor's earnings, be withheld from the defendant's earnings.

You must answer the Writ even if you do not have in your custody, control, or possession any property of the debtor. Pursuant to 28 U.S.C. § 3205(c)(4), your answer must state, under oath, the following information:

- b. a description of such property and the value of such property;
 - a description of any previous garnishments to which such property is subject and the extent to which any remaining property is not exempt;
 and
 - d. the amount of the funds you anticipate owing to the debtor in the future and whether the period for payment will be weekly or another specified period.
