Re: *Lopez v. SFUSD*, Case No. C-99-3260 SI(EM)

Dear Judge Illston:

The Court has set a status conference in this case for Wednesday, January 14, at 4:00 p.m. The parties jointly request that the Court continue the upcoming conference until the week of February 23, or the earliest time thereafter convenient to the Court.

The parties continue to meet and confer and have made substantial progress on the issues of applicable construction tolerances, modifications to the construction schedule, and plaintiffs' inspections of various sites. The parties met in person on August 29, October 28 and November 19. The parties are scheduling a further meeting this month.

Because the parties' meet-and-confer efforts continue to be productive, they believe a February status conference will be most helpful to the parties and most informative to the Court.

The parties thank the Court for its attention to this request.

Respectfully submitted,

DENNIS J. HERRERA
City Attorney
