8 MARCUS DANIEL CHAVARRIA,

No. C 01-02242 SI

9 Petitioner,

**ORDER TO FILE RESPONSIVE
PLEADING**

10 v.

11 JIM HAMLET,

12 Respondent.
13 _____/

14 On March 24, 2003, this Court denied Chavarria's pending petition for writ of habeas corpus.
15 On April 29, 2003, the Court issued a certificate of appealability as to certain issues raised in the
16 petition. Petitioner appealed to the United States Court of Appeals for the Ninth Circuit, where he
17 evidently requested either remand or dismissal in order to amend his original habeas petition to assert
18 a claim based on ineffective assistance of appellate counsel. On June 27, 2007, the Ninth Circuit issued
19 a judgment dismissing the appeal and remanding to this Court in order for petitioner to request
20 permission to amend his petition and for this Court to "determine in the first instance whether
21 amendment should be allowed." When no motion to amend was forthcoming, this Court on August 2,
22 2008 ordered petitioner to file a motion for leave to amend his habeas petition by August 26, 2008,
23 should he still wish to amend. The Court granted petitioner's motion to extend the deadline to
24 September 8, 2008, and petitioner did timely file his motion to amend.
