Re: *Overture v. Google*  
*Our Reference No. 9623/408*

Dear John:

In reviewing Overture's September 16, 2002 Preliminary Infringement Contentions, we note that we inadvertently asserted two claims that we had not intended to assert against Google, and we wanted to bring this to your attention.

In particular, Overture is not asserting claims 31 and 32 of the '361 patent against Google in the pending litigation.

Very truly yours,

  
Jack C. Berenzweig
