STIPULATION

The Court's order of September 5, 2014 (Docket No. 795) set certain trial and pre-trial dates, including a trial date of July 27, 2015, a pretrial conference date of June 30, 2015, and certain other dates, including, as relevant here:

- A status conference date of January 29, 2015.
- A non-expert discovery deadline of February 20, 2015.
- An expert report deadline of February 20, 2015.
- A rebuttal expert report deadline March 13, 2015.
- An expert discovery deadline of April 3, 2015.

Lead defense counsel, to avoid a conflict in another matter, desires a one-week extension of the status conference to February 5, 2015, and has been advised that space is available on the Court's calendar for that date. Plaintiff's counsel does not object to the one-week extension of the status conference but, because of potential discovery disputes, is agreeable to a one-week extension of the status conference only if there are corresponding one-week extensions of related discovery dates, set forth above.

The order stipulated to herein would have no effect on the trial date or the date of the pretrial conference.

Therefore, counsel for Plaintiff, Elaine Sasaki, and counsel for Defendant, Costco Wholesale Corporation, stipulate as follows:

- 1. The status conference now set for 10:30 a.m. on January 29, 2015, shall be re-set to February 5, 2015.
- 2. The non-expert discovery deadline now set for February 20, 2015, shall be re-set to February 27, 2015.
- 3. The expert report deadline now set for February 20, 2015, shall be re-set to February 27, 2015.
