21 **CORRECTED ORDER GRANTING APPLICATION TO PAY DISTRIBUTION FEES**

22 Pursuant to Civil Local Rule 7-11, plaintiff Securities and Exchange Commission  
23 (“Commission”) filed a Miscellaneous Administrative Application for authorization to pay the  
24 distribution fees of the Garden City Group (“GCG”), which is the Claims Administrator in this  
25 proceeding. On February 13, 2007, this Court authorized the distribution of the \$400,000 to the  
26 injured investors in Clarent Corporation (“Clarent”) during the period of January 19, 2001 through  
27 August 31, 2001 and the retention of GCG to handle the administration of that distribution  
28 (“Distribution Order”). The Distribution Order authorized holding back funds from disbursement to

1 cover GCG's administrative fees and potential income taxes. The Distribution Order also authorized  
2 GCG to request the payment of its administrative fees from the distribution fund, subject to the  
3 Commission's review and approval of GCG's fees.

4 GCG has submitted to the Commission a final invoice in the amount of \$29,082.51 for its  
5 services, fees and expenses ("Final Invoice"). The Commission has reviewed and approved that final  
6 invoice as being reasonable, and the Court therefore authorize GCG to pay that invoice from the  
7 remaining distribution funds.

8 After \$29,082.51 is paid to GCG, there will be a *corrected* remaining balance of just **\$89.35** in  
9 the distribution fund. The Court authorizes the transfer of any remaining balance from the distribution  
10 fund to the Commission so that the balance can be forwarded by the Commission to the United States  
11 Treasury.

12 SO ORDERED.
