UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ZAMEER RIAZ AZAM,
Plaintiff,

No. C 05-510 MHP (pr)

ORDER

v.

CITY OF PLEASANTON; et al,
Defendants.

Plaintiff's "amended motion for relief from summary judgment" and "motion for re-consideration of plaintiff's motion to vacate judgment" are DISMISSED. (Docket # 84, # 86.) The court lacks jurisdiction to consider the motions – filed more than a year after the entry of judgment – because there is an appeal pending. The court also construes the motions to request the court to indicate it would entertain a motion for relief from the judgment, and denies that request. See Williams v. Woodford, 384 F.3d 567, 586 (9th Cir. 2004).

IT IS SO ORDERED.

Dated: April 10, 2009

United States District Judge
